**Social skills
and competences**

Living and studying with other people, in multicultural environments, traveling to many countries and experiences a wide variety of cultures

As an overseas student who changed location from Eastern Europe to the Far East, I had the opportunity to become familiar with people, customs and places of totally different backgrounds from all over the world. As I lived and still lived in the university's dormitory together with other overseas students and also with many Japanese students with whom I share both classes and extra-curricular activities, I am confident I am good at establishing relationships and communicating with a wide variety of people, in very different situations.
